3.618 m², za investicijo, prodamo. Cena: 35,00 EUR/m²

Na koncu lovske vasi Polom prodamo lepo, ravno zazidljivo zemljišče na sončni lokaciji. Dostop do zemljišča je po asfaltirani cesti. Lokacija mirne lovske vasice leži na južnem delu Suhe krajine in je cca 15 km oddaljena od Kočevja. Zemljišče je primerno za gradnjo individualnih hiš (do 6) prav tako za obrtne dejavnosti. Voda je že na parceli. Kraj ponuja izredno kvaliteto bivanja in veliko možnosti za aktivno preživljanje prostega časa v objemu neokrnjene narave. Ponudba je zelo ugodna, zemljišče je vredno ogleda in nakupa.

Kočevje je v fazi razvoja industrije in samega mesta. Odpirajo se tudi nova delovna mesta.

At the end of the hunting village Polom we are selling a beautiful, flat building plot in a sunny location. Access to the land is via an asphalt road. The location of a quiet hunting village lies in the southern part of Suha krajina and is about 15 km away from Kočevje. The land is suitable for the construction of individual houses (up to 6) as well as for craft activities. The water is already on the plot. The place offers an exceptional quality of living and many opportunities for active leisure in the embrace of unspoiled nature. The offer is very favorable, the land is worth seeing and buying. Kočevje is in the phase of development of industry and the city itself. New jobs are also being created.
